Terms & conditions

For releasing payment of AMC, Vendor may be advised to comply with the following points:

1. M/s Switching AVO Electro Power Ltd's service personnel will visit the installation sites for periodic preventive maintenance check up of the UPS systems at least once in a half year.
2. Apart from the periodic preventive maintenance visits, all breakdown calls on the systems covered under AMC and reported to the respective Service Centre emanating from the user will be attended to.
3. The Vendor shall ensure that faults and failures intimated by Bank are set right within 24 hours of intimation, and the equipment concerned will immediately be replaced with equivalent affectability/capability for which no additional expenses are payable to the vendor.
4. During preventive maintenance checkups, the system will be cleaned and general performance will be checked.
5. Cost of all spares that are replaced in the UPS system will be covered under this comprehensive annual maintenance scheme (AMC).
6. Escalation Matrix should be submitted to the Bank as and when changes are made.
7. Standby UPS to be provided in case of UPS is not rectified within the specified timeline.
8. The AMC will be released on half-yearly basis. No, advance payment will be made.

Please acknowledge receipt.

Yours faithfully,
